*The Descendants of  
Thomas, Richard and William Ainsworth  
and One Sister*

*Mary Ann Ainsworth Thornber*

## *The Ainsworth Family*

This family tree concerns the descendants of three Ainsworth brothers: Thomas, Richard, and William, and one sister, Mary Ann Thornber. The three brothers emigrated from England to the United States in the early part of the nineteenth century. Another sister, Alice Ainsworth Armstead, remained in England and also her children, so far as we know. Although Mary Ann Thornber remained in England, most of her children came to America.

The Ainsworth name is very old in England and goes back many centuries. Because we are particularly concerned with the descendants of the three Ainsworth brothers who settled near Bath (in Mason County), Illinois, and the descendants of Mary Ann Ainsworth Thornber, these four children are referred to as the first generation.

Descendants and adopted children are shown in bold face type. Dotted lines separate families of different wives or different husbands.

Your committee realizes that mistakes are unavoidable. For such as we have made, we offer our regrets and apologies.

This booklet gives the names of 328 descendants of Thomas, Richard, William, and Mary Ann Ainsworth, of which 251 are still living. There are probably at least 60 descendants not listed in this book that we hope to include in a second edition.

Five sons of the three brothers are still living. The oldest is William Thomas Ainsworth, age 85. He is the youngest child of Richard Ainsworth. The youngest is Arthur Townley Ainsworth, age 61. He is the youngest child of William Townley Ainsworth.

## *Notice*

The printing of this family tree was financed in part by a free-will offering of \$55.00 that was made at the Ainsworth Family Reunion held at the Fairview Church on September 1, 1942. Thanks to the generosity of Mrs. William Thomas Ainsworth, Mason City, Illinois, who is now eighty-five years old, this first edition of the Ainsworth Family Tree is fully paid for. Mrs. Ainsworth made good the deficiency.

Except for the passing of the hat at the last family reunion, no solicitation has been made from any of the descendants.

The Ainsworth Family Tree Committee wants every adult descendant to have a complimentary copy of the Ainsworth Family Tree. If you have not received your copy, please let us know by writing us and asking for it.

We hope to get out a more elaborate edition in the next five years in which all names and dates are carefully corrected.

The revised edition will be financed in the following manner:— We shall send to any address as many copies of the first edition as are wanted at \$1.00 each. If you have not made any contribution to this edition, we shall accept any amount you may see fit to give. If, for any reason whatsoever a new edition is not issued before September 1, 1948, all of your remittance will be refunded to you including what you pay for additional copies of this edition.

We have no need for funds except to pay for the printing of a revised edition. If you want to help pay for the printing of a new edition, send your check now, since no solicitation will be made later. Make your check out to the Ainsworth Family Tree Fund and mail it to the Ainsworth Family Tree Committee, Watseka, Illinois.

In not a single case were any professionals employed to get up this family tree. It is doubtful if any family tree of this size was ever compiled at a lower cost. If those who get this booklet will make corrections or additions and return it to the Ainsworth Family Tree Committee, we shall send you another complimentary copy.
